

CITY OF GROVE CITY, OHIO
COUNCIL MINUTES

June 28, 1999

Special Meeting

The special meeting of Council was called to order by President Milovich at 6:15 p.m. in the Council Conference Room, City Hall, 4035 Broadway.

Roll was called and the following members were present:

Steve Bennett

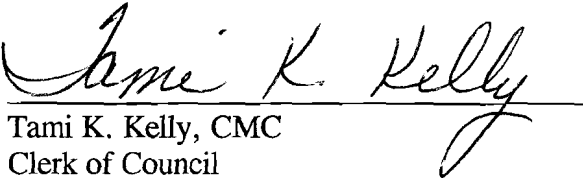

Mike Milovich Budd Eversman

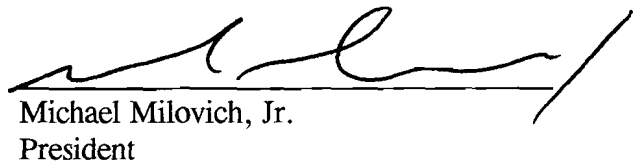

Chris Fulton

Mr. Radi was absent.

1. President Milovich explained that the purpose for this evenings meeting was to discuss the various changes in the Landscape Code proposed by Ordinance C-17-99 and C-18-99. He noted the presence of Bob Lathrop, Urban Forester, and Ike Stage, Dir. of Development.
2. Mr. Lathrop reviewed the various amendments proposed and explained the purpose for each. Mr. Eversman questioned the change to 1136.11 over requiring sod, rather than seed, in certain areas for new development, other than single family. He said he felt that this will add a large cost to some developments and felt it was an unnecessary change, at this time. After further discussion, it was decided to keep this section in-tact and remove the proposed change. Mr. Lathrop was also asked to look at the Compatibility Chart and add Apartment Zoning Classifications, where necessary.
3. After review and discussion of these proposed amendments, a motion was made to adjourn and seconded. Motion carried.

Council adjourned at 7:30 p.m.
