

CITY OF GROVE CITY, OHIO COUNCIL MINUTES

December 11, 2000

Special Meeting

The special meeting of Council was called to order by President Bennett, at 6:18 p.m. in the Council Conference Room, City Hall, 4035 Broadway.

Roll was called and the following members were present:

Chris Fulton Vaughn Radi Steve Bennett Budd Eversman Maria Klemack

The Chair recognized Mr. Eversman, Chairman of Finance.

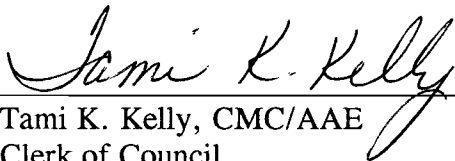

1. Mr. Eversman opened the floor for discussion of the 2001 Annual Appropriation Ordinance.

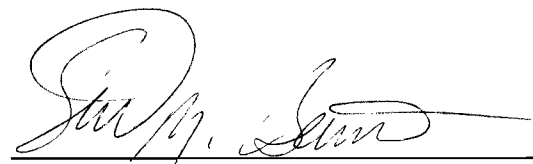

Council and Administration reviewed the Capital Projects, Projected Cash Position, the Estimated Revenue Budget, the Estimated Expenditure Budget and the Detailed Expenditures for the various Departments under the General fund and Special Revenue Funds.

2. During the review, it was noted that there is a desire to hire an additional secretary/receptionist for the Administration to do Human Resources/Records Retention tasks. The Police Department is in need of four (4) new officers, and it was explained that it is necessary to hire this many to equal one person in a different department (to cover all shifts). The Building Department is in need of an additional Inspector and the Zoning Coordinator should be kept. There were several questions Council had with regard to the Capital Improvements to Fryer Park. Mr. Stage, City, Admin., stated that they would take those amounts out of the budget and bring it back to Council, next year, when they were ready with more definite costs.
3. Mr. Eversman announced that there would be no meeting on December 12, 2000 as *tentatively* announced at the last Council meeting and that the second tentative date of December 14, 2000 would be left in place, for final review – if needed. Council noted that final review may be able to be accomplished via phone, in lieu of the 14th's meeting.

There being no additional questions or comments, President Bennett adjourned the meeting by unanimous consent.

Council adjourned at 11:06 p.m.

Tami K. Kelly, CMC/AAE
Clerk of Council

Steven M. Bennett
President
