

**CITY OF GROVE CITY, OHIO
BICYCLE TRANSPORTATION TASK FORCE
MINUTES**

September 21, 2023

Regular Meeting

1. The regular meeting of the Bicycle Transportation Task Force was called to order at 6:10 p.m. in the Lower Level of City Hall, 4035 Broadway. Roll was called and the following members were present:

Richie Cohen-Smith, Josh Stamper, James Daniels, Mark Davison, Joey Hoffmann, Hayley Ingram, Mike Tampurages

Members Absent: Sam Clark, Dan Starcher

Staff Support: Shaina Rowe

2. Mr. Daniels moved to approve the 09/07/23 minutes as written; seconded by Mr. Cohen-Smith. Unanimously approved.
3. Mr. Daniels asked if anyone had more feedback on the Council report from the Task Force. The Task Force decided that the PowerPoint presentation that they give to Council will be a quick summary of the report. They also wanted to make sure that by mapping out and recommending new bikeways that they do not ignore the existing bike paths that the City has. The Task Force also wants to make sure that they point out the restrictions and improvements that can be made to the new and existing bike paths/bikeways.
4. Chair Stamper also suggested making a point to do away with the "Share the Road" signs because they are outdated, and motorists do not comprehend them how they should. He said that most motorists believe they mean that bicyclists should share the road with them, not the other way around. Mr. Tampurages suggested new signs should state that bicyclists may use the full lane.
5. Mr. Hoffman suggested the Task Force make a slide for the presentation summarizing the improvements that need to be made to each bikeway. Mr. Daniels also wants to stress to Council that this is merely their first report and since they currently have no end date, they are far from done.
6. Mr. Davison decided that he would clean up and finish the presentation for the group that they will present to Council at the meeting on October 2nd.
7. A motion was made to adjourn and was approved by unanimous consent.

Adjourned at 7:25 p.m.
