

**CITY OF GROVE CITY, OHIO
BICYCLE TRANSPORTATION TASK FORCE
MINUTES**

November 30, 2023

Regular Meeting

1. The regular meeting of the Bicycle Transportation Task Force was called to order at 6:06 p.m. in the Lower Level of City Hall, 4035 Broadway. Roll was called and the following members were present:

Josh Stamper, James Daniels, Mike Tampurages, Dan Starcher, Mark Davison

Members Absent: Sam Clark, Hayley Ingram, Richie Cohen-Smith, Joey Hoffmann

Staff Support: Tami Kelly, Shaina Rowe, Karen Fahy, Cindi Fitzpatrick

2. Mr. Daniels moved to approve the 11/16/23 minutes as; seconded by Mr. Stamper. Motion unanimously approved.
3. Chair Stamper moved into discussion about the website layout. Karen Fahy, Information Specialist for City of Grove City, was present at the meeting to help and guide the Task Force. She asked the Task Force if they wanted a website of their own or if a web page on the City's website would suffice. She stated that other bicycle groups in other cities have a web page on their city's site and not their own site. In terms of the Task Force's interest in sharing safety videos, Ms. Fahy said that usually there isn't a page of links on a website, but this could be a perfect social media opportunity. The Task Force decided that a Facebook page would be their primary social media.
4. Mr. Tampurages suggested putting links to bikeway maps for people to look at on the website. Ms. Fitzpatrick said that she will coordinate with Kim Shields, Development Dept., to finalize the published bikeway map with the integrated hub and spoke model.

Mr. Davison said that he would like to see an interactive map on the web page with routes that citizens can click on, bicycle repair locations, geographic features, etc. Mr. Stamper stated that with the interactive maps he would like to see turn-by-turn directions.
5. Discussion then took place about possible advertisements such as bike nights and an article in the Discover Grove City magazine. Mr. Stamper brought up Dublin's Bicycle Ambassadors program and stated that he thought this would be a great way for the Task Force to gain community involvement.
6. The members decided that they would continue to explore and work on basic content for their web page and social media. They will send Ms. Fahy information of what they would like on the web page, proof the maps, and begin their social media.
7. The next meeting will be on Wednesday, January 17th at 6:00 p.m.
8. A motion was made to adjourn and was approved by unanimous consent.

Adjourned at 7:45 p.m.
