

**CITY OF GROVE CITY, OHIO
HIGHER EDUCATION INVESTMENT COMMITTEE
NOTES**

March 05, 2016

Regular Meeting

The regular meeting of the Higher Education Investment Committee was called to order at 9:30 a.m., in the Council Conference room, 4035 Broadway. Roll was called and the following members were present:

Randy Holt Collin Hopkins

Ex-Officio members: Ted Berry Tami Kelly

1. Mr. Berry explained why he feels they should have applications before asking for an appropriation, for Mr. Hopkins benefit.

Mr. Holt explained that the plan now is to get applications first, and include some information about the applicants, before presenting a request to Council for funds. This is a switch to a demand-based appropriation.

Mr. Hopkins asked about processing the applications and determining who would get the funds. Discussion took place over this and Mr. Holt said each application could be time stamped and if there are too many, they could deal with that later.

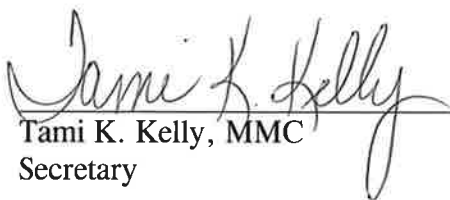

Ms. Kelly read Mr. Walters e-mail explaining the tasks he is working on before putting anything up on the website. This includes getting permission from the two colleges to use their name in a Press Release. Mr. Holt asked if we could see if Mr. Walters could have the Press Release ready for the Committee to review by 3/14, so there will be time to build demand in April, May and June.

Discussion took place over creating a Higher Education Logo. Mr. Hopkins said he would work on a design.

Discussion also took place about timing of awards versus getting payment to the colleges.

2. A motion was made to adjourn

The meeting adjourned at 10:40 a.m.
