DRAFT QUESTIONS
For Dr. Metz

1. What is the proper timeline for consideration and submission for the scholarships (grants) per semester?
2. What are the criteria CSCC uses to administer their scholarships? (i.e. Can the college withdraw a scholarship if the student does not meet the specified criteria and inform the provider?)
3. What are the hour requirements for full time? (In your opinion should the scholarship be linked to a minimum of 6 credit hours?)
4. Can the college administer scholarships for part-time students?
5. Can the college commit to doing for this for our grant?
