2. Chair Holt explained that the purpose of today's meeting was to approve the Spring, 2022 Scholarships.

Ms. Kelly provided an overview of this semester and shared the details shown on the attached sheet.

Ms. Brant moved to approve all 19 applications, contingent upon receiving the required grades/volunteers hours from those in the Fall Program before an award was granted; seconded by Mr. Perkins. Motion unanimously approved.

Ms. Kelly stated that there is one Skilled Trade application that appears to meet the requirements. She shared the class schedule to assist with determining the cycle/semester/term.

Ms. Schakat said Hobart is an excellent technical school that did meet our requirements. The members reviewed the class schedule and determined that a cycle would be 5 classes or more, for this application.

Ms. Brant moved to approve this application with the following stipulations:

1. The first cycle will consist of the completion of five (5) courses;
2. The second cycle will consist of the completion of five (5) courses;
3. The third cycle will consist of the completion of the Program;
4. 30 volunteer hours must be completed by the end of the Program.

Seconded by Mr. Holt. Motion unanimously approved.

3. New Business:

Ms. Amy Schakat noted that she is working on an application for the IMAP (Individual Microcredential Assistance Program) State Program to open an Adult Training Center in the District. She said they hope to start with two (2) skilled trade tracts and one (1) nursing tract. Mr. Holt suggested having a special meeting at the Career Center so the Committee could take a tour and learn more about the new program.

Ms. Kelly noted that we have traditionally conducted a survey of all the participants and it is time to do it again. She said she would send the last survey to the Committee to get feedback and any suggestions they may have.

Mr. Barry Tullos, resident, was present and asked about the programs. He said he was particularly interested in the Skilled Trade since he has been a contractor his whole life. Committee members discussed both programs with Mr. Tullos.

4. The meeting adjourned at 6:01 p.m.
