2. There being no quorum, the Minutes from the previous meeting were not approved.
3. Members heard the following updates, while taking no action:

Ms. Karen Fahy shared the draft webpage design. She said she would send it, in Word, to all the members for review and any suggestions. She asked for pictures to be able to use on the webpage.

Ms. Kelly reported that Mr. Walters and Kim Shields are working to finalize the hub & spoke map. He would like to have Chair Stamper attend one of their meetings. Once they have a final version, they will send it to the Task Force for review.

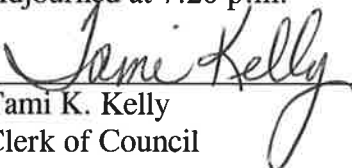

Ms. Kelly also shared that Ms. Shields has an application from ODNR, who is giving away helmets for Bike Safety Awareness Month. She wants to know if the Task Force would like her to apply and give the helmets away. They will not be here in time for Eco Fest, but could be used at Touch A Truck or a Bike Bus to School event. Ms. Kelly said she would find out how many helmets could be applied for and the Task Force could decide later what event to hand them out at.

Mr. Stamper said he would like the Task Force to have a presence at Ecofest, which is April 20. He said members could man the table and pass out information. He asked if the map would be done and if they could get registration cards to pass out. It was suggested that they have a box for comment cards.

Mr. Stamper also passed out notes from Mr. Tampurages about social media messaging; creating a Facebook page; and a safe passing video.
