All representatives addressing the board were sworn in.

3. Hear the appeal of David Keller, property owner, 4288 Tahoe Trail, Parcel #040-009779, for a variance to Section (Table) 1135.10-I: To encroach the 25' rear yard setback, by 4', with a pergola roof over a patio, for a total rear setback of 21'.

David Keller explained the positioning of the house on the lot and the shape of the lot reduces the amount of space to build a structure in the rear yard. They have a 5' fence, a large tree and a park behind them. He doesn't feel the encroachment will negatively affect the adjoining property owners. It is just one small corner of the pergola that would encroach the rear yard setback. Chair Holinga asked Mrs. Scott if letters were sent to the adjoining property owners. She said yes, but no responses were received.

Motion by Chair Holinga to grant the appeal of David Keller, property owner, 4288 Tahoe Trail, Parcel #040-009779, for a variance to Section (Table) 1135.10-I: To encroach the 25' rear yard setback, by 4', with a pergola roof over a patio, for a total rear setback of 21' with one stipulation; to begin construction within 12 months.
