2. Mr. Stamper moved to approve the 8/7 and 9/4 Minutes; seconded by Mr. Davison. Motion unanimously approved.
3. Ms. Shields provided an update on the MORPC sponsored Southwest Greenway Studio meeting. She updated them on the LINK-US TSI status. She passed out a copy of a map that is on the COTA website showing trails selected for funding. She said it shows a trail to Three Creeks that will get Grove City closer. There is another potential connection on Williams Road that could get us closer to Three Creeks, as well. She shared some preliminary information from the GC2050 Community Survey surrounding the transportation questions. She was happy to see that half the respondents said they wanted to bike or walk to get places.
4. The Committee discussed City bike paths that are being work on and connections being made. Ms. Vagades said the Great Southern connection needs some collaboration, but they are working toward a trail in that area.
5. The next meeting will be Nov. 06, 2025
