Hello!

The City of Grove City and the Southwest Franklin County Historical Society are excited to celebrate August's America250 theme by stepping back in time to where it all began!

We invite you to join us on **August 22 from 12–4 p.m. at Century Village (4185 Orders Rd.) for Grove City's Olde Time Country Fair**—a lively, immersive celebration of early-1800s life.

This year's fair will capture the charm and spirit of a bygone era, featuring classic games like horseshoes and hook-a-duck, old-fashioned amusements such as fortune telling and tin-type photography, and traditional refreshments like lemonade and pretzels. It's a fun, nostalgic way for Grove City businesses and volunteer organizations to connect with the community in a meaningful and memorable way.

All participating organizations will receive:

- A 10x10 booth space
- A tent for cover
- Custom booth signage featuring your organization's name and offering

Each participating organization is asked to provide one of the following:

- A free game with a small prize
- A free activity or take-home item
- A food or drink item available for purchase

We've prepared a list of historically inspired games, activities, and concessions for your organization to choose from. Use the link below to share your organization's information and select your **top three** booth choices. If you have your own unique idea, feel free to list it under "Other"—we love creativity and will follow up to confirm your concept.

How you bring your booth to life is entirely up to you—rent supplies, collaborate with partners, or craft everything by hand. Make it simple or make it spectacular!

This event has the potential to be one of our most vibrant community celebrations yet—but we can't do it without you. We hope you'll join us in bringing Grove City's history to life!
