Also, on Southwest Boulevard - there is strict enforcement of the 35 mph speed limit while the track is not in session, however, when the track is in session it is drive for your life with no visible enforcement. Lastly, he asked why we had a No Turn On Red at an intersection like Columbus Street and Hoover Road instead of a yield to left arrow. This would be tremendously helpful to an intersection that is becoming increasingly unbearable.

   Mr. Boso stated that he would have Mr. Fulton check on these, specifically the Columbus Street/Hoover Road intersection.

   President Buzby recognized the Mayor, members of administration and council for closing comments.
